This form is required for all new applicants, providers being recredentialed and any provider interested in being added to a network. New providers must also complete an enrollment application found at **AlabamaBlue.com/Providers**. Providers adding a new location must submit this form to have Par Status added to the new location. Par Status follows the provider, and adding a location is for administrative and claims processing purposes only. Providers being recredentialed must enroll and attest to the correctness of their information in CAQH.

As a provider enrolling with Blue Cross and Blue Shield of Alabama, being recredentialed or adding a new location with a new tax ID, I would like to express my interest or continued interest in applying for the Provider Networks indicated. I understand expressing my interest in any of these programs is not an entitlement or guarantee of acceptance as a participant in any network offered by Blue Cross. I understand that prior to an offer to participate, my credentials will be verified along with the business need for additional providers in these networks.
