

Credentialing and Enrollment Practitioner Specialties

We can enroll providers in any of the specialties listed below. Please note that groups may not provide benefit coverage for all specialties. If your specialty is highlighted in yellow or gray or is not listed, submit the Auxiliary Provider Application. If your specialty is highlighted in blue, submit the Non-PMD application. If your specialty is highlighted in green, enroll via [CAQH](#). License or certification in your stated specialty and Type 1 National Provider Identifier (NPI) is required for individual provider enrollment.

If specialty is highlighted in orange enroll through Lucet.

Green = Eligible Blue Cross Network	Yellow = Eligible No Network	Blue = Eligible Blue Advantage Network Only	Orange= Eligible Enroll through Lucet	Gray = Not Licensed in Alabama
