*Unaccredited facilities may be considered on an exception basis if they have had a successful CMS or state quality review in the past three years and the review criteria meet Blue Cross and Blue Shield of Alabama standards.

** No license available in Alabama.

Note: An MD and DO who sees patients must have admitting privileges or a suitable network hospitalist agreement at a Blue Cross and Blue Shield of Alabama participating hospital.

Note: Providers outside Alabama must be participating providers with the local Blue Cross Plan in order to be considered for participation with any Blue Cross and Blue Shield of Alabama network.
